Local Youth Club Grant Scheme 2021 incorporating the National Quality Standards for Volunteer-led Youth Groups

Application Form

DEPARTMENT OF CHILDREN, EQUALITY, DISABILITY,
INTEGRATION AND YOUTH

January 2021

Introduction

The Local Youth Club Grant Scheme (LYCGS) supports volunteer-led youth club/group activities at a local level. Funding for the Scheme is provided by the Department of Children, Equality, Disability, Integration and Youth (DCEDIY) and is administered locally by Education and Training Boards (ETBs) on behalf of DCEDIY. The ETB is considered to be a co-grantor for this Scheme.

The Scheme supports voluntary youth club/group activities for young people; with priority given to clubs/groups catering for young people aged 10–21. The primary focus of the Scheme is to assist local, volunteer-led youth clubs/groups that provide a programme of youth work activities for young people. In addition, other clubs/groups that work with young people, but are not specifically providing youth work, are also entitled to apply for funding under the Scheme.

To support the work of volunteers, and to ensure that quality standards are adhered to in their work with young people, DCEDIY has incorporated the National Quality Standards for Volunteer-led Youth Groups (NQSPLYG) into the Local Youth Club Grant Scheme (LYCGS). This Application Form encompasses both elements.

The Application Form comprises the following sections:

- Section 1:** Description and details of your club/group
- Section 2:** The Local Youth Club Grant Scheme incorporates the National Quality Standards for Volunteer-led Youth Groups. These are national quality standards developed to support and enhance voluntary work with young people. The three National Quality Standards for Volunteer-led Youth Groups are:
 - Standard 1: Safety and well-being** – Programmes, practices and people ensure and promote the safety, support and well-being of young people.
 - Standard 2: Young person-centred** – Programmes, practices and people ensure and promote the voluntary participation, inclusion and voice of young people.
 - Standard 3: Developmental and educational** – Programmes, practices and people ensure and promote the development, achievement and progression of young people.
- Section 3:** Grant Details
- Section 4:** Club/group Financial Details
- Section 5:** Declaration

Please note: It is the responsibility of the local club/group applying to the ETB for funding to ensure that it complies with the requirements of the LYCGS incorporating the National Quality Standards for Volunteer-led Youth Groups.

Both the club/group Chairperson and the Treasurer must sign the Declaration at the end of the Application Form. By signing, they confirm that all information contained in the Application Form is current, available and accurate. Furthermore, they understand and agree that any grant that may be allocated to the club/group will be provided on the basis of the grant agreement with the ETB, as set out in the documentation. By signing the Declaration section of this Application Form, it is understood that the information provided by the club/group Chairperson and the Treasurer may be checked for the purposes of verification and comment as appropriate. In addition, each National Youth Organisation (see listing in Appendix 2) must provide a Statement of Assurance in relation to affiliated clubs/groups in each ETB area. The ETB itself undertakes an assurance process for non-affiliated clubs/groups. This Statement of Assurance declares that the relevant National Youth Organisation or ETB is satisfied that in the clubs/groups named:

The club/group is volunteer-led and is based on the voluntary participation of young people.

75% of the club/group members are between the ages of 10 and 21.

The club/group can clearly outline the benefits of membership for young people who participate in their programmes.

The club/group is fully compliant with all requirements set out in the Children First Act (2015).

All adult volunteers have been Garda vetted.

Appropriate insurance cover is in place.

Volunteers have access to a first aid kit and are able to use it correctly.

The club/group has a Health and Safety Statement, Policy or Procedures or operates to a buildings Health and Safety Policy.

Eligibility for the Scheme

The primary focus of the Scheme is to assist local volunteer-led youth clubs/groups that provide a programme of youth work activities for young people. In addition, other clubs/groups that work with young people, but are not specifically providing youth work, are also entitled to apply for LYCGS funding.

To be eligible for funding from the **Local Youth Club Grant Scheme**, the club/group must satisfy the following criteria:

It must be volunteer-led and it must be based on the voluntary participation of young people.

75% of the club/group members must be between the ages of 10 and 21.

It must be able to clearly outline the benefits of club/group membership for young people who participate in its programmes.

The club/group must adhere to the requirements set out in Section 2 of the Application Form.

The club/group must be fully compliant with all requirements set out in the Children First Act (2015).

All adult volunteers working with young people must be Garda vetted before they start volunteering.

Appropriate insurance cover must be in place.

Volunteers must have access to a first aid kit and must be able to use it correctly.

The club/group must have a Health and Safety Statement, Policy or Procedures. (Note: this applies to clubs/groups that own premises. Clubs/groups that do not own premises must confirm that they have seen and operate to the building's Health and Safety Policy.)

Information on all aspects of the three Quality Standards for Volunteer-led Youth Groups that have been met by your club/group must be included in your Application Form response.

Clubs that were in receipt of Local Youth Club Grant Scheme funding in the previous financial year must complete the Club Report Form, and return it along with their application.

Please note that sports clubs/groups are not eligible to receive funding under the terms of this scheme.

Points to note:

As the LYCGS is intended to support groups that are not in receipt of project-based funding (i.e. those in receipt of funding under DCEDIY targeted youth funding Schemes - UBU Your Place Your Space staff-led projects) and Youth Information Centres are not entitled to apply under the LYCGS. However, volunteer-led youth clubs/groups that may be affiliated to staff-led youth services, and are run by volunteers, are entitled to apply.

Applications will not be accepted from both local and regional structures of the same organisation. For example, an organisation that has both regional councils/committees and local units/groups should apply to the ETB as a local unit, or it should use the organisation's regional structure to process the application.

A general rule of one grant for one club/group is considered to apply. In a case where a club/group has more than one section. For example, Groups or Clubs with Junior and Senior sections only then only one application can be made for the eligible age groups, where a minimum of 75% of members are between the ages of 10 and 21. Clubs/groups will need to collaborate locally in order to facilitate this process – your National Youth Organisation Regional Youth/Development Officer or ETB Youth/Liaison Officer will provide the necessary support to help you prepare a joint application.

Local Community Games Committees that provide non-sporting youth activities may be eligible for funding from the LYCGS. The ETB Youth/Liaison Officer must be satisfied that funding for the same purpose is not available/has not been secured by the Local Community Games Committee elsewhere. The ETB Youth/Liaison Officers will liaise with the relevant Sports Committee/Partnership.

As highlighted above, clubs/groups whose primary focus is sport are not eligible to receive funding under the LYCGS. Such clubs/groups are directed to other funding supports, for example major sporting organisations, the Irish Sports Council, and local sports partnerships.

The closing date for receipt of applications to the LYCGS will be strictly adhered to.

Further information

Further information on the Local Youth Club Grant Scheme incorporating the National Quality Standards for Volunteer-led Youth Groups is available on each ETB website.

DCEDIY also provides full details of the Scheme. As documentation may change from year to year, it is important that the correct Application Form supplied by DCEDIY is used. Incomplete application forms will not be processed. All reporting requirements must be met before any new grant aid will be considered. Information submitted to ETBs may be subject to the Freedom of Information legislation.

If your club/group wishes to apply for a grant, all sections of the form must be completed.

As this document is also the reporting template for the NQSVLYG, if you do not wish to apply for grant aid you should only complete Sections 1, 2 and 5 of this form. If you need any help with this, please contact your National Youth Organisation (listed in Appendix 2). ETB Youth Officers will provide this support and guidance to youth clubs/groups not affiliated to a National Youth Organisation.

Need any help?

If you need help in completing the Application Form, please contact your local ETB Youth/Liaison Officer (see Appendix 1 in this Application Form for relevant contact details).

Note:

Your club/group may be contacted or visited by the ETB in order to verify any information you provide. The information provided on the Application Form may be shared with the organisation to which your club/group is affiliated, for verification and comment.

Grant Agreement with Administering ETB

Any grant that may be allocated by DCEDIY (grantor) to the ETB (co-grantor) to the club/group (grantee) under the Local Youth Club Grant Scheme is awarded on the basis of the agreement as set out below. By signing the Declaration in Section 5 of this application, the grantee thereby agrees the following:

- 1. Objective and purpose of grant:** This grant is allocated to meet the objective of the Local Youth Club Grant Scheme and is to be utilised for the purpose as outlined in the application for funding as approved by the co-grantor. Any change of use or re-direction of funding is not permitted without the prior agreement of the co-grantor.
- 2. Principles for Grantees:** This grant is allocated on the basis of the principles and procedures outlined in the Department of Public Expenditure and Reform Circular 13/2014 on the Management and Accountability for Grants from Exchequer Funds. It is a condition of funding that the grantee complies with the Statement of Principles for Grantees as set out overleaf.
- 3. Reporting:** The grantee must report on the expenditure of the grant to confirm that it has been utilised for the purpose outlined in the application for funding as approved, using the approved reporting form. Failure by the grantee to report to the co-grantor within a six-week period of the report being requested may affect the grantee's ability to access future funding.
- 4. Verification:** Appropriate accounting procedures must be implemented by the grantee, with access afforded to a delegated officer of the co-grantor to records such as audited statements, receipted expenditure, bank accounts, etc. as may be required to authenticate use of funding. The grantee will supply the co-grantor on request with its tax reference number or charitable status number, together with a current tax clearance certificate. The co-grantor reserves the right to have its officers or agents attend and address meetings of the grantee in regard to issues related to funding, if circumstances so require. The grantee has an obligation to make books and accounts available to the Comptroller and Auditor General, where 50 percent or more of their total income is sourced from Exchequer Funds. The grantee shall satisfactorily reply to any queries submitted by the co-grantor and/or the Comptroller and Auditor General.
- 5. Payment:** Payments will only be made to the grantee when they are due, in line with the terms and conditions of this agreement. If there is an overpayment of a grant, a refund will be obtained by the co-grantor. This grant does not imply commitment on the part of the co-grantor to any future funding to the grantee for this or any other proposal.
- 6. Retention of end-year balances:** In the case of unexpended balances of grant money at year's end, with co-grantor approval, these balances, or a portion thereof, may be retained by the grantee if deemed necessary to meet outstanding financial requirements. Such balances should be kept to a minimum and will be taken into account when considering any subsequent grant that may be awarded.
- 7. Acknowledgement of grant:** The group will acknowledge at all times the support of the co-grantor. The name of the co-grantor and the amount of the grant received must be shown in any financial accounts of the grantee.
- 8. Insurance:** The grantee shall ensure that at all material times there are in force adequate insurance policies in respect of all participants while taking part in activities supported by this grant. The co-grantor shall not be liable for any injury, loss or damage whatsoever or to whomsoever caused by any act, default or omission of a participant in such activities.
- 9. Works carried out by grantee:** All works carried out by the group arising out of this grant shall be in accordance with the provisions of all relevant statutes, regulations and by-laws, and the onus for obtaining all consents, permissions etc. including planning permission, consent to entry on, or interference with land, other property, or right of any other person or persons, rests with the grantee.

- 10. Health and Safety:** It is the sole responsibility of the grantee to take all necessary steps to ensure the health, safety and welfare of all participants to the same extent and in the same manner as an employer is required to do in relation to employees. The co-grantor accepts no responsibility for the stability of any structure or the soundness of any materials used or the adequacy for its purpose of any buildings or of any facility invested by the grantee under the terms of this agreement. Where applicable, Health and Safety regulations must be met. It is the sole responsibility of the grantee to comply with all relevant Health and Safety legislation and regulations.
- 11. Safeguarding of the welfare of children, young people and vulnerable adults:** The grantee agrees to comply with all requirements set out in the Children First Act (2015).
- 12. Failure to comply with agreement:** Should the grantee fail to comply with any of the terms or conditions contained in this agreement, the co-grantor may request them to do so within 14 days. If after such request the grantee fails to comply, in that event all or such portion of the funding as the co-grantor may determine shall be paid to, or withheld from, the grantee, or deducted from any future grants that may be awarded.
- 13. Termination of agreement:** The co-grantor will have the right to terminate this agreement at any time with one month's notice to the grantee and without prejudice to its other rights and remedies should the grantee fail to comply with the terms and conditions of this agreement and their obligations set out therein. Such cancellation will take immediate effect on receipt of a letter of cancellation from the co-grantor and, in the event of any cancellation; no claim shall be made against the co-grantor in respect of any loss or damage arising therefrom. If, however, one month after the proposed start date, the agreed programme has not commenced, then this contract shall be regarded as automatically terminated.
- 14. Dispute resolution:** Should there be any dispute arising out of this agreement, including the interpretation or fulfilment of its provision, all such disputes shall be promptly discussed by the co-grantor and grantee in an effort to arrive at a mutually agreeable resolution.
- 15. Data protection and confidentiality:** The grantee agrees to comply with all requirements set out in the Data Protection legislation (1988 to 2018) and all requirements under the General Data Protection Regulation (GDPR)¹. The grantee undertakes to the co-grantor to keep confidential and secure all/any information concerning the business affairs of the co-grantor obtained or received as a result of entering into this agreement.
- 16. Freedom of Information (FOI):** Where the grantee is not a body subject to FOI, the grantee undertakes, upon request received from the co-grantor, to provide the co-grantor with all or any record (as defined by the FOI Act 2014), relating to any matter provided for or arising in respect of or in connection with this agreement.
- 17. Statement of assurance:** The signing of this Application Form with this agreement contained therein constitutes a statement of assurance by the grantee that all of the conditions contained within this agreement will be complied with in full.
- 18. Waiver:** No failure by the co-grantor to enforce any provision or term of this agreement shall be construed as a waiver of such provisions or terms, or of the right thereafter of the party to enforce same.

¹GDPR came into effect on 25 May 2018.
